Credits and The Story Behind Picking Up This Series:

amp: Wow, we've released so many chapters this month. *(I don't want to see another kanji, we should take it easy now.)*

Dune: So about our next project...

amp: ????!"

Dune: There's this shoujo called Soushi Souai. Not the childhood friend trope you like but cute af I tell you. I'm almost done editing Chapter 1 and 2. Check the raws so you can start translating.

amp: "coughs up blood" *(what about my other projects...)*

"After finishing Chapter 1 and 2"

Dune: Wow, can't believe we finished so quickly. *(we should call it a day, I should sleep now.)*

amp: This series is so cute how did you find this? BTW I'll translate chapters 3 & 4 now. Let's upload them later. You think we can finish the whole volume ASAP?

Dune: ????! (what about my sleep...)
